CHF Platinum Program

See if you qualify

Thousands of people each year dream of becoming homeowners. The CHF Platinum Program may help that dream become reality.

This homebuyer assistance program currently provides low-to-moderate income families and individuals with a Grant that does not have to be repaid. Many times this allows them to purchase a home much sooner than they thought possible!

The Program is available for the purchase of an owner-occupied single-family residence, approved condominium or planned unit development located in the state of California.

The Grant made possible through the Program, can be used towards the homebuyer's down payment and/or closing costs on a 30-year fixed-rate fully amortized FHA, VA or USDA Mortgage Loan.

The Program is available for purchases of both new and existing homes and is NOT limited to first-time homebuyers.

- Down payment assistance¹ (Currently in the form of a Grant)
- For the purchase of primary residences in California
- New or existing properties are eligible
- Program is NOT limited to first-time homebuyers

Owning your own home may be easier than you realize.

We are here to help

We realize that one of the biggest challenges you may face when purchasing a home is coming up with the funds for the associated down payment and/or closing costs.
